SAFE DRIVING

... is the topic of a note stuck under my door by Dr. O. B. Taylor.

It reads: "Friend Lawrence: May I offer for your 'Sparky' column this 'Food for Thought'?"

"Sing While You Drive --

"At 30 miles per hour, sing 'Highways Are Happy Ways';

"At 35, sing 'I'm a Stranger Here, Heaven Is My Home';

"At 40, sing 'Nearer My God To Thee';

"At 45, sing 'When The Roll Is Called Up Yonder, I'll Be There';

"And at 85, sing 'Lord, I'm Coming Home!'"

Doc's message is "Let's Save A Life." And it is an appropriate one, for the highways have killed more Americans since the first car was invented than all the wars combined that America has ever fought in. The total long ago surpassed the 1,000,000 mark.

TERRIFIC

... is the word to describe the desire that propelled the Owls to a sweet 34-8 victory over the Uvalde Coyotes Friday night. They made the State 3-A Champions look like pussy-cats.

Charley Robinson, the sports editor for the Uvalde Leader News, described the victory one of inches -- although he gave the Owls full credit for a sound football game. I'll admit, Charley, that we made some fantastic plays, but I believe you are right about inches -- our Owls grudgingly gave inches on defense and that proved to be the top asset.

Offensively, the Owls were great.

But back to the inches, Charley. I, for one, felt that had the official opened his eyes and seen the Coyote who made the touchdown run several inches out of bounds, that score would have been a big white-wash. He didn't call it, however, and the score went on the board. But, you'll have a hard time convincing fans along the east side that he didn't waltz some two feet out of bounds for several yards.

Anyway, for this year, we can mimic Roundman Gleason and say: "How sweet it is!"

E. A. BENDELE

... came by Friday to sit a spell and talk about the offer he has made to the City on some property in the "flooding" area in the eastern portion of the town.

"Your story last week," he said, "said that I have some 'conditions' I want from the City before I'll deed this land over to them. But, I don't care who told you that, it isn't so.

"I will give them that land containing the gravel pit without any conditions. All I would hope would be they will clean it out completely so that it won't back up water when it rains."

Now, the quote I used came from the City Council meeting last week and it seemed to me when it was made most of the City Council and the Mayor and City Manager agreed with its contents.

Maybe, E. A.'s statement sheds a different light on the subject. I don't know. But I do know that something more than is being planned in that area needs to be done. I don't think the people in that area are going to be helped too much by just cleaning out the bed of that hole down there.

And since Bendele flatly states he has no conditions, his offer might should receive a second look.

Miss Jo Ann Quintanilla is crowned

Four judges had a difficult choice to make among 28 beautiful young Hondo ladies Saturday night. But they made their choice, as all judges finally do, and it was a good one.

Miss Jo Ann Quintanilla, daughter of Alex Quintanilla of Hondo, is the new Miss Hondo. The previous Miss Hondo, Diane Lively, handed her the crown, which she had worn proudly for a year, to its new bearer.

First runner-up and winner of the "Miss Congeniality" award was Mariett Aelvoet, daughter of Mr. and Mrs. Rene Aelvoet.

Second runner-up was Renae Zinsmeyer, daughter of Mr. and Mrs. Jerome Zinsmeyer.

Third runner-up was Pam Rowlett, daughter of Mr. and Mrs. Albert Rowlett.

Fourth runner-up was Esmeralda Escamilla, daughter of Mr. and Mrs. Efrain Escamilla.

Other finalists were Brenda Hardt, daughter of Mr. and Mrs. Lloyd Hardt; Theresa Laughinghouse, daughter of Mr. and Mrs. William Laughinghouse; Roxanne Gallardo, daughter of Mr. and Mrs. Domingo Gallardo; Gail Lutz, daughter of Mr. and Mrs. Elton Lutz; and Landa Saathoff, daughter of Mr. and Mrs. Hugo Saathoff.

Also entered in the Pageant were Evelyn Ramirez, Mandy Arcos, Jeanette Aelvoet, Kay Martin, Susan Marie Riff, Susan Grell, Oralia Rodriguez, Rose Gonzales, Angie Pargas, Yolanda Galvan, Mary Anne Flory, Susan Fohn,

Mobile homes ordinance subject

A proposed new ordinance regulating mobile homes in the City of Hondo will be presented to the City Council at its next regular meeting on October 9 and it will be publicly studied.

This was the final decision Tuesday night after two hours of discussion between the Council and several interested citizens present at the special meeting.

City Attorney Hugh Meyer proposed that the present zoning ordinance be amended to include a description of mobile homes and to prohibit mobile homes from being placed in any of the areas zoned A-Residential-one family dwellings.

The argument for the ordinance is to prevent "mobile homes from being scattered throughout the city, in front yards, back yards and other areas."

Against this several persons to the city "telling any citizen where they can live and thus classifying them as second class citizens."

Darwin Schrader, a mobile home owner, said: "Such an ordinance tells me I am not good enough to live in certain areas of Hondo. I am good enough to buy products at your stores, serve as a Boy Scout and 4-H leader to your children, but when it comes to living anywhere I want to, you say you will dictate that."

City Council assured all persons now living in mobile homes anywhere in the city that such an ordinance, if passed cannot affect them. "We could not do this even if we tried," Hilmer Mueller assured those mobile home owners present.

Shauna Graff, Marcy Mueller, Diane Collier, Juanita Carabajal, Dayle Marrs, and Cindy Tschirhart.

Plant expansion

UR bids to be called

Expansion of facilities at the Hondo Universal Rundle vitreous china plant is proceeding on schedule with a bid letting called for October 9, according to an announcement by the president of the firm, John W. Sant.

Plans for the expansion were made public in a release published May 31 in the Anvil Herald. At that time a release by President Sant announced an increase for the Hondo plant of 50 percent through the addition of a 150,000 square foot building a new tunnel kiln.

Sant said at that time that the Hondo expenditures would create approximately 60 new jobs.

According to the previous release, the Hondo expansion is tied in with one at the New Castle, Penn. plant and the two will cost in excess of \$2.5 million, with Hondo receiving a good portion of these building expenditures.

Other expansion plans were

Agribusiness invitations are mailed

Invitations to the first Agribusiness Seminar to be held in Hondo have been mailed to appropriate business firms throughout the county.

The "Agribusiness Seminar for Agribusiness Firms" is scheduled as a two-night affair on Tuesday and Wednesday, October 16 and 17. It will be held at the New Frontier Restaurant beginning at 7 p.m. on the first night. Since a steak dinner is planned on the second night it will begin at 6 p.m.

Sponsored by the Medina County Extension Service and the Agribusiness Committee of the Hondo Chamber of Commerce, the event will feature Kenneth Wolf and Dr. Wayne Hayenga, both economists and agribusiness specialists at Texas A&M University, College Station.

H. C. Nietenhoefer is chairman of the Agribusiness Committee and will chair first night activities. County Agent Glenn Bragg will serve as chairman for the second night of the seminar. Welcome will be given by Burnis Lawrence, president of the Hondo Chamber of Commerce.

Subjects to be covered on the two-night seminar include: "Selecting a New Product or Service to Add to a Going Agribusiness" by Kenneth Wolf; "How to Determine the Profitability of a New Product or Service" by Dr. Wayne Hayenga; "Selling a Service" by Kenneth Wolf; and "Managing Credit" by Dr. Wayne Hayenga.

The seminar will be able to accommodate only 40 persons and they will be chosen on a first-come-first-served basis of those who mail back their \$5 registration fee. Seminar officials urge that those attending be in a management position, since the seminar material is directed more toward the decision-maker.

announced for company plants scattered throughout the United States. At Phoenix, Ariz., a fiberglass plant will be expanded to double capacity with a 30,000 square foot addition.

At the same time, major additions to vitreous china facilities at Monroe, Ga., and a new fiberglass plant at Leominster, Mass., are coming on stream.

Estate planning offered

Money matters mean many problems if proper planning is not accomplished and the purpose of the Tuesday night Estate Planning Seminar is to help with that planning before the need arises.

The Seminar is co-sponsored by the Hondo Chamber of Commerce and Albert Rowlett, district agent for the Lutheran Mutual Life Insurance Company, and will get underway at 7:30 p.m. September 25 in the Audio Visual Room at Hondo High School.

Areas of importance in estate planning will be covered during the one-night seminar and will include:

"The Attorney and Estate Planning" by Allen Lee, Medina County Attorney; "The Role of Trust Department" by David Finger, vice president, Frost National Bank Trust Administration; "The CPA and Estate Planning" by L. John Strieber, Jr., Certified Public Accountant; and "Sound Estate Planning Using Life Insurance" by Albert Rowlett.

Letters from the mailbox

Mr. Burnis K. Lawrence, President Hondo Chamber of Commerce

Dear Friend:

Thank you for such a nice letter. I had planned to write you immediately after the festival but didn't get around to writing before now.

I will admit that I urged a few people I knew to go over with me to back you up, fearing all the time that nobody much would be there. What a delightful surprise!

Honestly, you put on the best show of the entire festival. I was and am mighty proud of what Hondo did. The people were cheering like at a Devine football game.

You have a great possibility with the Texas World Corn Shucking at Hondo. I told a man named Stewart to call you about a show in the Astrodome and he just called that he had talked with you.

So, my friends, Good Luck! You really are on your way.

Regards, O. T. Baker Festival Manager [Editor's Note: The fine folks at Castroville helped tremendously in sparking interest and excitement at the Folklife Festival contest.]

Dear Mr. Lawrence:

During a recent visit to the New Cemetery (which I believe was also known as the "Oakwood Cemetery" when I was a youngster at Hondo) I was shocked to see so many graves that were completely grown over with weeds, some so high that it was difficult to see the inscriptions on the tombstones. Most of the graves, of course, belonged to persons or families who had passed away long ago. Apparently the relatives and loved ones of these

deceased had since died off or moved from the area and no one was left to care for their graves and cemetery lots.

Of course, many of the graves and cemetery plots were in good condition, obviously being maintained by relatives of the deceased. The Blocker family also has a plot in the New Cemetery where my mother, father, and sister are buried. While I have no relatives now living in Hondo, for years I have paid an attendant to look after the graves and to keep the Blocker plot clean of weeds.

I have attended funerals in so many places where the cemeteries were beautifully kept and maintained which, to me, indicated a deep respect in the community for the departed and a desire to provide a sacred spot of beauty as a serene place of final rest for the departed. I do not know of the financial arrangements for the maintenance of these cemeteries, but I suppose either the city or other funded hometown organization was charged with this responsibility.

I wonder if the citizens of Hondo and vicinity would be interested in supporting an organization, be it either the city or private association, to clean-up, beautify, and provide perpetual maintenance for the cemetery at Hondo? The cemetery is located on high ground with many live oak trees and other native trees and shrubs which add natural beauty to the landscape.

Perhaps the Hondo Anvil Herald, which is the responsible and proper mouth-piece for the community, would like to sound-out or spear-head a project for the perpetual maintenance of the cemetery? Or, maybe the Hondo Garden Club, Lions Club, or Rotary Club would be willing to take over responsibility for the cemetery? I must say that the Hondo Garden Club

has done a terrific job of beautifying the section through Hondo along Highway 90. They are to be congratulated on their excellent work.

Thank you for your attention and hoping that you agree and can do something toward the establishment of an association of some sort for the perpetual maintenance of the cemetery at Hondo.

Sincerely yours, V. H. Blocker American Consul General (Retired)

Ballot boxes selected

Selection of polling places where Medina County residents will vote on the nine proposed constitutional amendments has been made by the Commissioners Court.

An expected light turnout of voters was the deciding factor in consolidating boxes.

Ballot boxes will be located at: North Castroville, D'Hanis, Natalia, Yancey, LaCoste, Southeast Hondo (Fire Station), Southwest Devine, Mico.

Absentee balloting will be accomplished at the County Clerk's office in Uvalde on September 6, 1973, and it was very successful. This enabled us to make an excellent start in meeting Food Stamp Program responsibilities in

Significant brake improvements are featured in the 1974 Chevrolet pickup line. Computer-selected brake systems are tailored to the loaded weight rating of the truck, as specified by the buyer, to give brake performance similar to that of a passenger car. With loaded weight ratings of more than 6800 lbs., a new hydraulic power assist is standard. Other improvements in the 1974 line include a larger displacement standard engine in most V8 models, full-time four-wheel drive in all 4 X 4 V8 models, interior refinements, four new colors, and optional bright roof drip moldings.

PAULIAN PORTER Executive Secretary

Distance means nothing to hunters, and if you don't believe me read this letter from Glen Ellyn, Illinois:

Dear Sirs: "Two friends and I will be deer hunting near Hondo during the latter part of December."

"Could you please give us a listing of motels, cabins and trailer parks near Hondo where we could set up our base camp. I would appreciate receiving this list from you as soon as possible so I may obtain reservations for the time of our hunt."

Sincerely, Sherian A. Salge.

The listing requested by Mr. Salge is already on its way and we wish them a pleasant hunt in Hondo.

We like to be of help and these type letters always make us feel good: "Dear Mrs. Porter:

"I would like to take this opportunity to thank you for your help and assistance with the Food Stamp Program Meeting. The meeting was held in Uvalde on September 6, 1973, and it was very successful. This enabled us to make an excellent start in meeting Food Stamp Program responsibilities in

the counties represented. "Your cooperation and assistance is deeply appreciated. Sincerely, Pete L. Valenzuela, Officer-in-Charge."

Long distance calls kept us "talking" last week: Bob Silko of Dallas called about Javelina hunting; Tom Purdom of the New Braunfels Chamber of Commerce called on plans for the Blue Coat Trip (which we will go into a little later); Mrs. Buster Schmidt called to say they had leased their land; a Mr. Schmidt of San Antonio called about our Diez y Seis celebration; and Mrs. Allen of San Antonio wanted a telephone listing.

One lone signature on our guest book belonged to Bob Nowlin of San Angelo.

Say, have you seen the beautiful post card of the Museum? They just received 3,000 of them and they are outstanding. I understand John Wentz took the photograph. Oh, yes, they have 3,000 post cards of Frank Graff's old Longhorn steer. It is fantastic.

So why not purchase a few of these cards and start them on the way to relatives, friends and even people you might know. Spread the word on our Museum.

Now to the New Braunfels people. They came 30 strong Sunday and enjoyed a fine lunch at Herman Sons Steak House. Greeting them from Hondo were Mayor Pro-Tem G. E. (Pete) Pedroza, County Judge and Mrs. Jerome Decker, Chamber Director Leroy Miller and his daughter, Claire, Chamber President and Mrs. Burnis Lawrence and their two daughters, Terri and Debbie.

It proved to be a wonderful visit and J. C. Reagan, president of the New Braunfels Chamber, tells us that Gov. Dolph Briscoe received our message Friday morning with much enthusiasm.

Some of our mail went to: O. T. Baker of the Folklife Festival, Linda Burton of WQAI-TV, H. C. Petry, Jr., of the South Texas Chamber of Com-

merce, Jerry McCorley of Wichita Falls, Greg McKinney of Dallas, Richard O'Connell of Atlanta, Georgia, Ola Mae Word of Francisville, Louisiana, Spiegel of Chicago, Texas State Arts and Crafts of Austin, Texas Parks and Wildlife of Austin, Alvin A. Salge of Karnes City (not the same one from Illinois), John Vilas of Austin, Cliff Wright of Seguin, Kenneth Harrell of San Antonio and Kelly Khrer of Houston.

Hunters are getting restless for the season to open:

We had 7 requests and made 55 hunting referrals and had three other hunting calls; housing saw two listed, three requests, three referrals and 7 other calls; 10 brochures and maps, one Welcome Wagon, and some job activity, such as 1 job order, 4 job applications, 3 referrals 12 TEC call-in cards, 6 Youth Corps and Mainstream; and we did mimeographing for the Medina County Camp Fire Girls Council and the Estate Planning Seminar.

Golf course to get new sprinklers

Installation of a new sprinkler system at the Hondo Golf Course was assured Tuesday night and now all that is needed is for the City Manager and Golf Association officials to get together to work out the details.

City Council approved the installation by the City after it was ruled that the Council couldn't legally co-sign a note with the Association.

This means the City will pay for the approximately \$35-40,000 installation and the Golf Association will repay the city over the next 10 years.

"Our finances and records show that we can pay back the note," Association president George Rutherford said. "And we believe that the new system will not only save the city money in water usage, but it also will bring in more revenue by helping us attract more golfers."

Council instructed City Manager Fritz Leinweber to work out details with Rutherford and other officials and then advertise for bids on the project.

More about . . .

Sparks

Hondo through our road sign.

On a page titled "Apart From the Crowd", along with items of note from around the world, is the Hondo sign.

Of course, the writer certainly was not from this area as can be seen from what he wrote underneath the picture:

"TEXAS WELCOME. . . Motorists entering the city of Hondo, Texas, are admonished to show the proper respect for what is represented as God's Country. The sign has managed to slow down speeding Bible Belters better than all the speed limit road signs put together, say Hondo residents."

Now, we all know it's God's Country, so we won't argue with the writer. But, I'm not so sure that the title Bible Belters is a fitting one for this area, although there might be many who disagree with me. I've always felt that title went more with the Hardshell Baptist area like where I grew up in East Texas.

But, anyway, we thank "Car and Driver" for giving our city added publicity, and thanks to Rudy for spotting the magazine.

BY THE WAY

Miss Hondo

also chosen during the pageant.

Winning the title were Shannon Lee Gruber, daughter of Mr. and Mrs. Jack Gruber; and Trey Glasscock, son of Mr. and Mrs. Woodrow Glasscock, Jr.

Also entered in the junior division were Misses Laurie Ann Tapia, Lena Marie Guerrero, Toy Tolee Winkler, Melissa Barrios, Teresa Luna, Robyn McGraw, Anna Marie Cuellar, Stacey Elizabeth Koch, Rose Mary Esquivel, Leticia Kay Garcia, Mylinda Ann Wolff, Valerie Lyn Cole, Anisa Barrios, and Myrna Kay Seewald.

Among the contestants for Little Mr. Hondo were Michael Weber, Randy Wierich, Dean Alan Gents, Jeff Prenzler, Johnny Silva, Marc John Zerr, and Eduardo H. Campos.

Serving as judges for the Miss Hondo Pageant were Irene Rodriguez, Kevin Crook of the U. S. Naval Academy, Roxanne Rose, and Jack Stinton.

Serving as judges for the Pageant were Irene Rodriguez, a Spanish and English instructor at Southwest Texas Junior College; Kevin Crook, from the U. S. Naval Academy; Roxanne (Mrs. Jim) Rose, wife of the Governor's chief military aide; and Jack Stinton.

President of the Hondo Lions Club, which sponsored the event, is William H. Green.

Eric Rothe is Merit Semi-finalist

Principal Maurice J. Zerr has announced that Eric C. Rothe, a student at D'Hanis High School, has been named a semi-finalist in the 1974 National Merit Scholarship Program.

Eric is the son of Mr. and Mrs. Joe W. (Billy) Rothe of D'Hanis.

He will compete for about 3,100 Merit Scholarships to be awarded in the spring. In the 18 annual competitions completed to date, 34,450 students have won Merit Scholarships valued at more than \$95.5 million.

According to Edward C. Smith, president of National Merit Scholarship Corporation (NMSC), "The approximately 15,000 semifinalists are representative of the nation's most academically talented young people, and they bring honor not only to themselves, but also to their families, their teachers, and their communities."

The semifinalists were the highest scorers in each state on the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) administered last October to over one million students in about 17,000 schools nationwide. These students, who constitute about one-half of one percent of the graduating secondary school seniors in the United States, will complete high school and enter college in 1974.

Un-official Weather

Taylor-Chapman Service

In keeping with its policy of logging wierd rainfalls, Medina County was completely in character Sunday when a mysterious cool front sneaked in and dumped flood-size rains in the northeast parts, leaving other areas with only a teaser of moisture.

And, also in character, the ruts had hardly filled when the dauntless Taylor-Chapman Service took to the tarmac and caliche trails to calibrate, compare, and comment.

Herewith are their findings, and they are something. For they show that, while Elmer Bader logged only 1.20 inches, the clouds homed in on Wallace Haby and Ervin and Clint Bourquin and left them with 10 inches apiece.

More to come? Doctor O. B. Taylor, one-half of the T-C Services commented "I don't do any more predicting. No, sir."

"People keep bawling me out about letting it rain so much or else

not letting it rain, and they just won't believe I don't pull the switch."

But... since you ask, look out for next weekend. It's autumnal Equinox, you know."

O.K., Doc. Everybody knows that Saturday is the Equinox (and everybody who talks to Doc knows that strange meteorological goings-on go on Equinox).

But folks, don't forget-it's not the Anvil Herald or Doc or Thor himself that causes weekends to get ruined. We just tell it like it is.

SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION NOVEMBER 6, 1973

NUMBER ONE ON THE BALLOT (S.J.R. 8)

Article III, Sections 5, 24 and 49a and Article VIII, Section 6 of the Texas Constitution are amended to:

Provide for regular annual sessions of the Legislature. The regular session in each odd-numbered year would be for a period not to exceed 180 days. The regular session in each even numbered year would be for a period not to exceed 60 days and would be limited to consideration of fiscal matters and any emergency matters submitted by the Governor. The 60 day session could be extended by the Governor for a period not to exceed 30 days.

Provide an annual salary for members of the Legislature not exceeding \$15,000 per year and a per diem not exceeding \$18 per day for each day of each regular session or special session.

Provide that no appropriation of money shall be made for a longer term than one year and direct the Comptroller to make annual estimates of anticipated revenue rather than biennial estimates.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for annual regular sessions of the legislature, and to provide an annual salary of \$15,000 and per diem for the members of the legislature, effective in January, 1975."

NUMBER TWO ON THE BALLOT (H.J.R. 7)

Article XVI, Sections 50 and 51 of the Texas Constitution are amended to:

Include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to include within the scope of homestead protection the real property of a single adult person which meets the other requirements of homestead property, and to provide that a family homestead may not be abandoned except with the consent of both spouses."

NUMBER THREE ON THE BALLOT (S.J.R. 13)

Article VIII, Sections 1-a and 1-b of the Texas Constitution are amended to:

Extend the \$3,000 ad valorem tax exemption to the residential homesteads of unmarried adults.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the \$3,000 ad valorem tax exemption to the homesteads of unmarried adults."

NUMBER FOUR ON THE BALLOT (S.J.R. 1)

Article XVI, Section 59, of the Texas Constitution is amended by adding a new Subsection (e) which:

Provides that no law creating a conservation and reclamation district shall be passed unless a copy of the proposed law is delivered to the commissioners court of each county and to the governing body of each incorporated city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the proposed law with the Governor, Lieutenant Governor and Speaker of the House of Representatives. Each special law creating such a district must comply with general laws then in effect relating to consent by political subdivisions to the creation of such districts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment establishing certain requirements relative to the enactment of laws creating certain conservation and reclamation districts."

NUMBER FIVE ON THE BALLOT (S.J.R. 12)

Article XI, Section 7 of the Texas Constitution is amended to:

Provide that all counties and cities bordering on the coast of the Gulf of Mexico are authorized to levy a tax to pay for bonds issued for the construction of sea walls and breakwaters upon a majority vote of the resident property tax-payers. Counties and cities are presently authorized to levy such taxes and this amendment only changes the required vote from a two-thirds majority to a simple majority.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing counties and cities bordering on the Gulf of Mexico to issue bonds

for the construction of sea walls and breakwaters upon a vote of the resident property tax-payers."

NUMBER SIX ON THE BALLOT (S.J.R. 26)

Article V, Section 8 of the Texas Constitution is amended by adding a new paragraph which:

Provides that the district court, concurrently with the county court, shall have the general jurisdiction of a probate court and in a probate proceeding shall also have the jurisdiction otherwise conferred on it by law. It also provides that the legislature may increase, diminish, or eliminate the jurisdiction of the district court or county court in probate matters, may adopt rules governing the filing, distribution, or transfer of cases and proceedings as between the courts having jurisdiction of probate matters, and may provide that all appeals in probate matters shall be to the courts of civil appeals.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment stating that the district court concurrently with the county court shall have the general jurisdiction of a probate court, and providing the jurisdiction thereof, and further providing that in any probate proceeding the district court shall also have jurisdiction otherwise conferred upon it by law, and further providing that the legislature may increase, diminish or eliminate the jurisdiction of the district court or county court in probate matters, and further providing that the legislature shall have power to adopt rules governing the filing, distribution and transfer of all such cases and proceedings as between district courts, county courts, and other courts having jurisdiction thereof, and further providing that the legislature may provide that all appeals in such matters shall be to the courts of (civil) appeals."

NUMBER SEVEN ON THE BALLOT (H.J.R. 6)

Article III, Section 49-b of the Texas Constitution is amended to:

Provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund. This amendment increases the present \$400 million authorization to \$500 million.

Remove the present provision which permits buying of land only by those veterans who served between September 16, 1940 and the date of formal withdrawal of United States troops from the armed conflict in Viet Nam. This amendment would allow all veterans who served after September 16, 1940 to buy land from the Veterans' Land Fund, provided they are otherwise qualified.

Provide that, in the event of the death of an eligible

Texas veteran after the veteran has filed with the Board an application and contract of sale to purchase through the Board the tract selected by him or her and before the purchase has been completed, then the surviving spouse may complete the transaction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide for an additional \$100 million in bonds or obligations of the State of Texas for the Veterans' Land Fund."

NUMBER EIGHT ON THE BALLOT (S.J.R. 29)

Article XI, of the Texas Constitution is amended by adding a new Section 5(a) which:

Authorizes and requires incorporated cities, towns and villages, regardless of population and notwithstanding the constitutional limitations on total tax rates, to levy such annual ad valorem taxes on the taxable property in the city, town or village as are necessary to pay the principal of and interest on, when due, the general obligations hereinafter issued by the city, town, or village. The legislature is empowered to limit by general or special law the total principal amount of general obligations which may be issued, but unless and until the legislature acts to do so, the limitations established by statute with respect to the total principal amount of bonds which may be issued by independent school districts shall apply as the rate limitation on cities, towns, and villages.

The wording of the proposed constitutional amendment as it appears on the ballot is as follows:

"The constitutional amendment to authorize cities, towns, and villages to levy such ad valorem taxes as are sufficient to pay the principal of and interest on their general obligations hereafter issued subject to the restrictions provided by law."

NUMBER NINE ON THE BALLOT (S.J.R. 25)

Article VIII of the Texas Constitution is amended by adding a new Section 2C which:

Allows the Legislature, by general law, to exempt all real and personal property used by non-profit water supply corporations or cooperatives from all property taxes. The exemption would apply only to such property as is reasonably necessary to conduct the business of a non-profit water supply corporation or cooperative.

The wording of the proposed constitutional amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from property taxes certain property used by a non-profit water supply corporation or a non-profit water supply cooperative."

Mrs. Rothe honored with shower

A pink and blue shower honored Mrs. Walt Rothe Saturday September 15 at St. John's Hall, Hondo. Hostess for the event was Mrs. Harold Lutz.

The honoree was presented a wardrobe of baby socks corsage by the hostess. A special gift was received from Mrs. Rothe's mother, Mrs. Auld. It was the same arrangement that she had received at the time of Mrs. Rothe's birth.

The serving table was covered in white lace over baby pink, with a baby crib flower arrangement containing all the gift items. Twenty-seven guests were served punch, cookies, mints, and nuts.

Sigma Tau plans bake sale

Loessberg services held

Mr. Lionel S. Loessberg, age 74, was born on October 9, 1898, in LaCoste, Texas, and died Sunday, September 9, at the Winter Garden Medical Center in Dilley, Texas.

He was a life long member of the Zion Lutheran Church of Castroville.

Services were held Tuesday, September 11, at 4:00 p.m., in the Salmon-Jackson Funeral Home Chapel in Pearsall. Pastor Wayne Andrews of the Laurel Heights Seventh-Day Adventist Church of San Antonio, officiated, assisted by Glenn Sackett. Burial was in the Pearsall Cemetery.

Mr. Loessberg, a retired farmer and rancher, had lived in the Pearsall area for 38 years.

Survivors include his wife, Mrs. Melinda Loessberg of Pearsall; one daughter, Mrs. Allene Carpenter of Pearsall; one son, Leslie Loessberg of Austin; four grandchildren, Keith and Linda

Carpenter of Pearsall and Jimmy and Johnny Loessberg of Austin; four sisters, Mrs. Nora Schaefer of San Antonio, Mrs. Oscar Kauffman of La Coste, Mrs. Frank Adams of Poth, and Mrs. Evelyn Adams of Jourdan; three brothers, Erwin Loessberg of Castroville, Ralph Loessberg of Burkburnett, and Wilbur Loessberg of Lytle; six nieces and six nephews; and a host of friends.

Pallbearers were: Clyde Cox, Jr., of Pearsall; Clifford Shaefer of San Antonio; Paul Schaefer, Jr., of San Antonio; Calvin Hellums of Poth; Glenn Allen Hellums of San Antonio; and Kent Loessberg of Lytle.

I'm Here

Mr. and Mrs. Jimmy Capps, formerly from San Francisco, California, announce the arrival of their second child, a son, Glenn David, born Friday, September 7, 1973, in the Frio Hospital in Pearsall. He weighed 7 lbs. and 3 1/2 oz. and was 21 inches long.

He is being welcomed by his brother, Tommy, and his grandparents, Mr. and Mrs. Wayne Capps, Route 1, Devine, and Mr. and Mrs. Robert Bende, Hondo, and his great grandmothers, Mrs. Cora Crocker, Devine, and Mrs. Nora Finger of Hondo.

Schmidt services conducted

Funeral rites for Oscar F. Schmidt, Sr., 79, of 925 Wheelers, Kerrville, were held Monday afternoon, August 27, in the chapel of Plummer-Fair Funeral Home with Rev. Raymond Wilson and Rev. Worth Thompson officiating.

Burial was in the Bandera Cemetery. Mr. Schmidt was born in Hondo and had lived in Kerrville for the past six years.

Survivors include his wife; a daughter, Mrs. Edythe Hall, of Austin; two sons, Oscar Schmidt, Jr., of Kerrville and James G. Schmidt of Austin; one brother, Overton K. Schmidt, Sr., of Hondo; two sisters, Georgia Schmidt and Lenora Schmidt, both of Hondo; eight grandchildren, three great grandchildren and numerous nieces and nephews.

Pallbearers were Earl J. Baker, Sr., Lad Hubenak, Buford Killough, Roy Gayaway, Raymond Heilman and Bud Hainline.

This week

All she wrote

by Edna McDade

Let nothing me dismay! When opportunity offered a visit "back home", I came a-running to Hondo with never a thought that it was grain harvest time and the air would be filled with all those minute particles that must sit up nights figuring how to bedevil such sensitive skin as mine.

So for the first week I had a real "swell" time -- and a convincing excuse to extend my stay for an extra week so that Dr. Duty's potions and lotions can work their magic on restoring peace again.

A visit always offers the pleasure I find in returning to the scene of my long-ago labors at the ANVIL HERALD. This time, I turned back the file pages to the year 1913, in search of items that have survived six decades and are [or should be] of interest to the community.

Here's one: [AH 1/11/13] A writer in the Galveston News says this of Medina County in a History and Geography of Texas as told in County Names: In writing of DeLeon's first expedition into Texas, Bancroft [The North Mexican States, Vol. I, p. 400] says, 'DeLeon started from Monclova, Mexico, March 23, 1689. Crossing the Rio del Norte above the Salado Junction, he crossed, and named on his way northeastward, the rivers NUECES, HONDO, MEDINA & GUADALUPE.'

"The translated diary of DeLeon given in the quarterly of the Texas Historical Association, Vol. V, tells us that the river named MEDINA was so named on April 11, 1689, but does not give the name of the person for whom it was named. The Sergeant Major of the expedition was one Medina. The author of the tables, used in determining the latitude and longitude of their journey was MEDINA and this was probably the reason for the name given to the river."

Reasearchers who have covered the history of Medina County have doubtless included the above in their own publications but, this was the first time I had read it in this newspaper and have quoted it by way of a "refresher course" for those interested.

Red-balloon face, squint-eyes and all, I did attend the meeting of the Museum directors the evening of Sept. 10th and was delighted to be among-those-present.

I was amazed at the progress, applauded the unmistakable esprit de corps that prevailed, and the enthusiasm everyone seemed to share for the Museum's future progress.

A complete report of the meeting, facts and figures, appeared on page one of the Sept. 13 ANVIL HERALD. Surely, every good citizen read it and felt a glow of pride for the accomplishments -- whether personal credit could be claimed for any of it or not.

And, while on the subject, I'll include an unsolicited but well-deserved word of appreciation to "Medina County's Leading Newspaper since 1886". [I do so with awe and almost reverence since it pre-dates me!]

It was the Anvil Herald which gave the Museum its publicity start -- and I hope that a scrapbook is being kept of proof, for posterity.

In the years since, problems, differences of opinion etc., have arisen but don't "all God's children have problems?" Right or wrong, a world without contradictory opinions would be too "me and you both" to challenge progress.

A project as big and important as our Medina County Museum is [to keep past, present and future history in proper perspective] it deserves the "everlasting teamwork of every bloomin' soul" --sounds like Kipling to me -- is it?

I could name MANY men and women and young people who have dedicated countless hours and energies to the task but such a census would not be fair to all. I hope the monthly reports will continue to reflect the true community spirit and merit regular reports to stir the enthusiasm that begets enthusiasm.

Now, if I seem to have slipped up on my column chatter and gone to preachin' [or to my old job of scaring up the weekly editorials as I once did], bear with me.

This time, the Museum seemed to take over. Next week stand by for name calling, nonsense, and the trivia that insists on working its way into ALL SHE WROTE.

Range Improvement Field Day slated

Livestock producers, conservation leaders, and other interested persons are being invited to attend the annual Brush Control and Range Improvement Field Day at Vernon October 4.

E. L. Abbot, district conservationist for the U.S. Soil Conservation Service at Hondo, said he hoped several cooperators with the local Medina Valley Soil and Water Conservation District will attend the event.

Air conditioned buses will be used to tour the Waggoner Ranch during the morning of October 4. After a catered lunch, an afternoon program will be held in the Wilbarger Memorial Auditorium at Vernon. Speakers from SCS, Texas A&M University, Texas Agricultural Experiment Station, Texas Agricultural Extension Service, and the Brush Control and Range Improvement Association will discuss new developments and problems in management of brush. Several prominent livestock producers will also be on the program.

"With increasing demands for meat, we simply must find ways to increase livestock production from our native grasslands," Abbott said. "A well-rounded grassland improvement program applied to all the land in Medina County could increase beef production by as much as 50 percent. Similar increases could be obtained over wide sections of our state."

"To get this improvement, a combination of brush management, range reseeding, periodic rests, and other modern range improvement methods are needed."

Much of the technology for accomplishing this job is already known and in use here in the Medina Valley Conservation District," Abbott said. "However, we must continually search for new and better ways of doing business. We also must solve some of the economic, environmental, and related problems associated with brush control and grassland improvement."

Some of the speakers scheduled for the field day

include Edward E. Thomas, state conservationist, Soil Conservation Service; Dr. L. S. Pope, Associate Dean for Admin-

istrative Affairs, Texas A&M University; Dr. J. C. Miller, Director, Texas Agricultural Experiment Station; and Joe Norris, range conservationist, SCS.

Livestock producers on the program include John Matthews, Abilene and Rob Brown, Throckmorton.

Trail Ride planned

Plans are final for the annual Medina County Trail Ride which is conducted to benefit the students at the Medina County Association for Exceptional Children.

The ride is planned for the weekend of October 19-20-21 and all proceeds raised go to the school for these children.

Donations are urgently needed and may be sent to the MCAEC Fund, Hondo National Bank, Hondo, Texas.

Scouts prepare for show

SAN ANTONIO--Scouts of the Alamo Area Council, which includes Hondo and Medina County, this week launched the first phase of their annual big show of Scouting, as the ticket sales campaign got under way.

Lt. Gen. Patrick F. Cassidy, overall chairman of the show, said attendance this year is expected at least to equal the 1972 mark of 26,000.

The annual event is scheduled for Saturday, Oct. 20, in McGimsey Scout Park, from 1 to 9 p.m.

Gen. Cassidy, commander of the 5th U.S. Army, also said some 200 Scouts and leaders from Mexico will participate in the show, as they have the past three years.

In addition, he said, it is anticipated every area of the 13-county council will have boys participating in the show. Many of these will be overnight at the show site Friday and Saturday as part of Camp-O-Rena, a section of the show that emphasizes camping skills and techniques of Scouts in action.

REUS HONORED -- Wilbur Lindeburg, left, president of the Hondo Young Farmer Chapter presents a plaque to William Reus naming him as Hondo's Outstanding Young Farmer for 1973. The award was presented to Reus at a family fish fry Tuesday night at the Hondo City Park for members of the Hondo Young Farmers and Young Homemakers. Reus will compete for the Area VII Star Young Farmer award this Saturday, September 22, at the Young Farmer Area Convention in New Braunfels.

Welding Short Course set for Oct. 15

A Welding Short Course in Arc welding will be held at Hondo Vocational Agriculture Dept. on October 15th thru the 18th. This short course is open to any adult in the school district. The short course is co-sponsored by the Hondo Young Farmers and the Hondo High School.

Mr. Joel Barton, welding specialist with the Vocational Agricultural Division of the Texas Education Agency and Texas A&M University in Agricultural Engineering, will be the instructor. Mr. Barton has worked in this capacity over the state since 1959. His subject

matter has been well received by those who have enrolled in the Arc Welding 12-hour Short Course.

The first meeting will be at 8:00 p.m. on October 15th, and will meet the following three nights at a time agreeable with those attending the course. Visitors will be welcome to attend these meetings.

If interested in this Short Course in Arc Welding, contact J. D. Schmidt or John McAnelly, Vocational Agriculture teachers. You might wish to contact Superintendent of Schools, Mr. Kenneth Flory.

Farley certified by NRA

Washington, D. C. -- Gail C. Farley of Hondo has been appointed a Certified Rifle, Pistol and Shotgun instructor, by the National Rifle Association of America.

The new instructor was appointed on the basis of experience and the successful completion of an extensive examination. He is now qualified to conduct classes in basic marksmanship and safe gun handling.

Farley joins the ranks of selected volunteer instructors throughout the country who donate many hours in the NRA small arms education program. The program has been in

operation since 1876; since that time many millions of people have been taught to handle and enjoy firearms safely and effectively.

Ledesma promoted

CAMP LEJEUNE, N.C. -- Marine Pfc. Santos Ledesma, son of Mr. and Mrs. Juan B. Rodriguez of 1512 17th St., Hondo, was promoted to his present rank while serving at Marine Corps Base here.

A former student of Auga Fria High Union High School, Avondale, Ariz., he joined the Marine Corps in March 1972.

Ag. teachers urge safety

J. D. Schmidt and John McAnelly, Vocational Agriculture Teachers at Hondo High School offer the following suggestions for preventing accidents and injuries around your home or on your farm or ranch. The information is provided by H. Cleve Walkup, Farm Electrification Specialist with the Agricultural Education Specialist Program at Texas A&M University.

Fires, drownings, firearms, falls, and tractors cause the largest number of deaths on farms. Animal accidents, machines, and suffocation rank next as killers. Animal accidents, mostly horses, kill as many as electricity, poisoning and lightning combined.

Careless handling of fuels, carelessness with matches, and smoking causes the most fires. Lightning causes many more fires than fatalities, and so does electricity and overloaded wiring. Drowning and suffocation accidents claim a staggering number of victims under five years of age.

You can help prevent fires by more careful handling of fuels, providing adequate wiring to prevent overloads, and providing lightning protection for buildings and equipment. Teaching children to swim early in life and learning water safety rules early could save many of these little people from drowning. Remember that stings from flying insects kill more people than snake bites and spider bites combined.

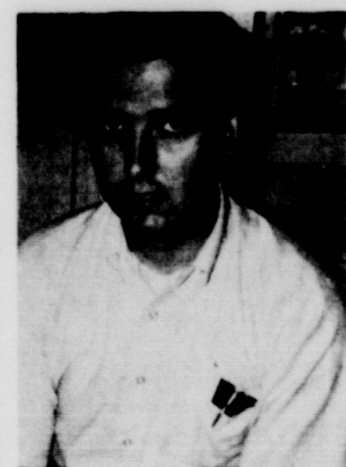

What have you done lately to eliminate a hazard, train an operator to protect himself, or change a habit to improve your own safety at work, at home or in recreation?

FFA News

There were 28 FFA boys placing orders for the official FFA jackets last Friday. Another jacket order will be mailed this week. We hope the jackets will arrive by early October.

Knitting lecture here next week

What is a stable knit? Can I sew on knit fabrics even though I don't have a zig-zag sewing machine? Do knits require interfacing and underlining? How can I prevent skipped stitches on knits? What is the best zipper to use in knits?

If you're a home sewer and you need the answers to these and many other questions concerning sewing on knits, you'll want to attend a lecture-demonstration sponsored by the Cooperative Extension Service of Medina County. The program, "Knit Know-How", will be presented by Cathy Collins, Educational Representative for Unique Zipper Distributing Service, on Thursday, September 27, at 10:00 at City Auditorium in Hondo.

Miss Collins' lecture will include a special section on the different types of knit fabrics available and how to choose the right patterns for them. She will illustrate her program with several knit garments including children's and men's wear. Choosing notions for knits and the installation techniques for the Unique invisible zipper will also be an important part of her program. She will be available to answer any of your questions about sewing following her lecture.

Be sure to attend this special one-hour program and get all the facts on Knit Know-How. You'll receive a complete booklet on Unique invisible zippers and a special leaflet on knit sewing. The program is free and open to the public. This would be a great way to spend a morning, so mark it on your calendar and bring a friend.

Masonic Cemetery to receive Historical marker

An official Texas Historical marker for the old Masonic Cemetery on Masonic Springs road near New Fountain will be dedicated in appropriate ceremonies at 4 p.m. Saturday, September 22. It is the first such marker to be erected at a Masonic site in Medina County.

Receipt of the marker was announced by Mrs. Josie Finger of D'Hanis, chairman of Medina County Historical Survey committee, who worked with Hondo City Lodge No. 756 and Devine Lodge No. 590, A.F. & A.M., to obtain the handsome marker through the Texas Historical Commission in Austin.

Made of cast aluminum with Swedish steel effect, the marker measures 18 by 28 inches and is mounted on a steel post.

The inscription on the marker reads: "Masonic Cemetery of Hondo Valley Lodge No. 252, A.F. & A.M. in 1859, a decade after Medina County was created, Freemasons and others in the New Fountain settlement built a 2-story stone church-lodge hall at this site."

"Hondo Valley Lodge No. 252, A.F. & A.M., was chartered in 1860. The Masonic Cemetery was opened here in 1864 when Junior Warden Rubin Smith was killed by Indians."

"Masons and members of their families rest here in 22 graves. By an unexplained circumstance, Masonic emblem is upside down on 2 headstones. Hondo Valley Lodge, demised in 1883, was parent of Devine Lodge No. 590 and Hondo City Lodge No. 756, A.F. & A.M."

The marking of local historic sites and landmarks is part of the Texas Historical Commission's program of preservation activities, Mrs. Finger said. These include archeological investigations, small museum consultation, and administering the National Historic Preservation Act in Texas. As of 1970 the Historical Commission had erected more than 5,000 official markers.

interest in historical tours, and to acquaint the people of this locale with their unique heritage.

Everyone is invited to attend the dedication ceremonies at the old Masonic Cemetery on September 22, and details of the program will be announced soon.

The cemetery can be reached in the following manner: from Avenue K at U.S. 90 in Hondo travel east about 3.7 miles, cross the railroad, and proceed about 1.7 mi. N. on local road.

Robert B. O'Connor of San Antonio, Grand Senior Warden of the Grand Lodge of Texas, A.F. & A.M., will be honor guest and principal speaker at unveiling and dedication ceremonies.

Formal opening of lodge will be held in the temple of Hondo City Lodge No. 756 at 3 p.m. and Masons will proceed from there to the cemetery.

Roy E. Dunsmore of San Antonio, district deputy grand master of Masonic district No. 39B will be master of ceremonies.

Bruno Schweers of Hondo, district deputy grand master of Masonic district No. 53 will deliver the address of welcome.

The Rev. L. S. Dubberly, chaplain of Hondo City Lodge, will deliver the invocation, followed by presentation of the colors by Tri-County Chapter, Order of DeMolay, and the pledge of allegiance to the U. S. flag.

The marker will be unveiled by John C. Redus of Devine Lodge and Oscar B. Taylor of Hondo City Lodge.

Redus, who served as worshipful master of Devine Lodge in 1922, is a grandson of John Redus, one of the charter members of Hondo Valley Lodge, and became a Master Mason in 1918.

Taylor, a Past Master of Hondo City Lodge, became a Master Mason on May 8, 1917, and is a recognized authority on Masonic history in Medina county.

Redus will be accompanied by a son, George M. Redus of Devine, Past Master of Devine Lodge, and great grandson of John Redus, who was secretary and a Past Master of old Hondo Valley Lodge, and one of the founders of Devine Lodge in 1884, serving as its first Master.

Mrs. Finger will be introduced and will tell of the work of this committee in Medina county.

The principal address titled "Medina County's Masonic Heritage," will be delivered by O'Connor.

Thomas L. Young, chaplain of Devine Lodge, will deliver the benediction, following which refreshments will be served in Hondo City Lodge temple by members of Devine Chapter No. 43 and Hondo Chapter No. 404, Order of the Eastern Star.

The ceremonies are open to the public and all Master Masons and their friends are invited to attend.

Martinez dies at 69

Francisco V. Martinez, 69, died September 11, 1973 in Hondo. A native of Mexico, he was born April 2, 1904 to Pedro Martinez and Hilaria Vasquez, both of whom precede him in death.

He is survived by eight brothers - Felipe, Margarito, Juan, Antonio, Pedro, Martin, Ascension, and Conrado Martinez; three sisters - Mrs. Lajoria Ruiz, Mrs. Sabina Treji and Mrs. Angelita Olivarez.

He was a lifetime member of the Catholic Church.

Rosary was recited September 13 at his home at 1508 13th St., Hondo, with Rev. George Steuben, pastor of St. John's Catholic Church, Hondo, officiating.

Funeral services were held September 15 at St. John's Catholic Church in Hondo.

Interment was in the Guadalupe Cemetery in Hondo.

Pallbearers were Nasario Castro Jr., Felipe R. Sandoval, Ramon Martinez, Avilio Palomo, Martin Sanchez and Albert Garza.

Funeral arrangements were by Guinn-Horger Funeral Home, Hondo.

Rodriguez honored

Adam G. Rodriguez, Quality Assurance Specialist (Aerospace) at the D-CASO office at Hondo Airbase, celebrated 30 years of Civil Service last week.

Rodriguez, who lives with his wife, a son and a daughter in San Antonio, received his 30-year pin in a ceremony August 28, presented by Major Eaton, Division Chief of the United States Air Force quality assurance operations office.

Cowboys down Lytle

The D'Hanis Cowboys held onto their perfect season record by out-muscling Lytle's Pirates 13-0 Friday night at D'Hanis. It was their second shutout win of 1973.

The game was a rough physically punishing contest of wills, but the D'Hanis defense was able to confine the Pirate attack and outstanding Pirate fullback Tommy Cate outside the D'Hanis 30 all night.

Meanwhile, Cowboy quarterback Bobby Joe Rothe tossed a touchdown pass to Richard Rothe to cap off a 54 yard drive on the first D'Hanis possession of the night.

The drive began as D'Hanis recovered a Pirate fumble at their own 46 yard-line.

Eric Rothe drove 21 yards on the first play,

and Bobby Joe Rothe chipped away the rest on short runs and passes, combined with a 26 yard scramble. The scoring pass came with 4:30 remaining in the first half.

The PAT kick by Eric Rothe was good, and the Cowboys led 7-0.

Lytle fought back-mostly on the running of Cate-but the D'Hanis line, including Frank Sandoval, Joseph Nester, Albert Rodriguez, Ronnie Koch, and Lee Roy Reyes, caused two fumbles and an interception to stall the Pirate drives.

For their part, Lytle defenders including Mark Bowen, Steve Yarborough and Larry Corder stymied more than one D'Hanis drive in the first half by hard-hitting tackles and pass defense.

In the second half, Lytle relied exclusively on Cate

runs and Compa passes in their offense. But the Cowboy defense stiffened repeatedly.

Cate had driven the Pirates their deepest into D'Hanis territory at the 36 and had gained ten more yards when he was hit hard and coughed up the ball. Joseph Nester was waiting to fall on it and turn back the threat.

A later Lytle drive ended on a pass interception by Richard Rothe, at the Lytle 25. The ensuing D'Hanis drive led to the night's other touchdown.

Replacing injured Bobby Joe Rothe since the mid-third quarter, Eric Rothe quarterbacked the Cowboys from near mid-field down to the 10-yard line of the Pirates. From there, Ronnie Rothe waltzed untouched into the end zone on an end sweep. This time the kick was no

good, and with seven minutes left in the fourth quarter, the scoring was over for the game, 13-0 D'Hanis.

Another Lytle offensive effort stalled as Koch, Sandoval, Nester and Reyes piled on another Pirate fumble by Tommy Compa.

But the Cowboys weren't perfect, either. Jerry Jass intercepted a pass on Bobby Joe Rothe's last offensive play of the night, and late in the game D'Hanis lost a

scoring opportunity as Steve Yarborough jumped on a fumble by Ronny Rothe in Lytle territory.

Saturday night, Bandera invades the D'Hanis stadium to play the Cowboys in their third non-district title.

Statistics Friday night read as follow (D'Hanis first):

First Downs, 10-11; Yards rushing 125-135; Passes (yards), 7-13-1 for 67 to 3-12-1 for 13; Total Offense, 192-148; Fumbles lost 1-4; Penalties 3-25, 4-30.

Frosh lose to Uvalde, 13-0

The Hondo Freshmen were blanked by the Uvalde Frosh team Thursday, losing 13-0 in a rain-slick field that caused numerous fumbles and interceptions.

The Owls fumbled on their first drive at Uvalde's 32-yard line, but the Coyotes also lost the ball via a bobble on Hondo's 8.

The two teams then traded interceptions, with Roy Carmona staling a Rambi aerial at the Owl 10 and returning it to the 50.

But Lupe Ruiz grabbed a pass by Tommy Taylor, and the Uvalde boy ran 58 yards to a touchdown.

In the second half, Uvalde mounted a steady

drive for their second score, but Hondo was unable to move against the Coyotes.

The Owl Frosh will go against Pearsall Thursday night (tonight) on Barry Field. Game time is 6 p.m.

Pro-Am slated

That little white ball will get a wacking Saturday, September 29, when golfers compete in a Pro-Am Golf Tournament at the Hondo Golf Course.

Players will begin action with a shot-gun start at 2 p.m. and they will have until 1 p.m. on that day to

enter. Entry fee is \$5 plus green fee.

"The tournament is limited to 72 players," says Virgil Krenmueller, "so get your entry in ahead of the rest."

Send handicap and fee to Virgil Krenmueller, Hondo Golf Course, Hondo, or call 426-8825.

Clemens boasts varied attack

Harry (the slinger) Mock is back as quarterback for the 1973 Samuel Clemens Buffaloes.

Last year, Owl fans will remember, Mock and his charges lost out to Hondo 35-12 in an aerial circus that saw Mock pass 25 times, completing 11 for 202 yards. Rushing last year was held to 30 yards, by comparison.

Mock is indeed back, a year older and more seasoned than last year. Back also are his receivers, wingback Tommy Howard and ends Louis Flores and Johnny Gonzales. (Last week in a losing effort against Randolph, the sole Buff score came on a Mock-Gonzales aerial in the fourth period.

Eight defensive and eight offensive returnees lend size and experience to the Buffs and cause them to be rated fourth among East Zone 14-AAA teams.

They present many varied faces on offense and defense as well.

They can operate from a Power I, slot I, proset strong set . . . and they have used all four repeatedly.

On defense, they may show a split-4 defense, a split-6, or a 5-2. The word is "confusing". But whether this variation proves to bewilder the Owl opposition or bedevil the Buffs with mistakes is still to be seen.

Talking with Coach Bohls about Friday night's victory over Uvalde, he said, "We're pleased, to say the least, with our performance against Uvalde."

"We made fewer mistakes than before, and our boys showed good offensive and defensive techniques. Our passing game worked, and we had good blocking throughout."

The passing game indeed worked, along with screen passes and a draw play, to keep pass defenders honest.

Injuries? Paul Pope was limping a little Monday, and a few others are a little sore from bruises in that game, the coaches report, but the big problem seems to be in linebacker Ted Mendoza.

The Senior tri-captain injured an ankle in practice Monday, and he is a doubtful starter Friday night. Tuesday he was still on crutches, to keep weight off the ankle.

Other problems with sore throats and other bugs should subside before game time Friday.

Clemens is capable of stingy defensive play, as shown by their 13-0 shutout over blanking of Austin Del Valle in their season opener.

On their home turf they're always a little tougher, and they still smart from their loss to neighbor Randolph.

Owlstrap Uvalde

When the home-opener crowd settled into their seats at the Honey Bowl in Uvalde, they expected the slaughter to begin.

The slaughter began early, but the scores rang up on the Visitors half of the board.

Hondo struck, and struck again and again to bury the vaunted Coyotes 34-8 in one of the major upsets in Texas football for the young season.

The Owl win broke a Uvalde string of 16 consecutive victories and boosted the Hondo record to 2-0.

The Owls were ready to play, and showed it from the opening kickoff, which Gene McAnelly booted out of the end zone.

dro gained 50 yards on the first Uvalde play, the Owl defense contained Uvalde at the Owl 27.

The Owls took over and marched 70 yards to their first score, a 43-yard pass from Brian Finger to Ray Garcia. Though Garcia was in a crowd, he had a step on the maroon defenders, and the pass was laid right in his arms.

McAnelly's boot made it a quick 7-0 with 7:03 left in the opening quarter.

Things then began to happen which spelled a long night for Uvalde. Taking the ensuing kickoff at the goal-line, Alejandro returned it 18 yards but fumbled, and the Blue smothered the ball at the Coyote 19.

the trick. Tony Hackebell and Gene McAnelly bruised ahead on the ground, and Mac scored from a yard out.

Mac's kick was true again, and the Owls had stunned Uvalde 14-0 with 5:26 to play in the quarter.

Uvalde's Alejandro scampered for 24 yards in the next series, but the Owls held again.

The ensuing series could have been disastrous for Hondo as they failed to move, then McAnelly shanked a four-yard punt which squibbled out of bounds at Hondo's 27.

But once again the Blue defense rose to the occasion.

third quarter. Tres Casal took off on a 31-yard scoring scamper that flirited ever-so-closely with the boundary line. The officials were there, and Uvalde's only touchdown of the night was good. Stoy missed no opportunity as he barreled into the end zone for a 2-point conversion. With plenty of time left Uvalde was on the board, 28-8.

But the Owls weren't done yet.

Though the Uvalde pass defense had robbed Finger of his first-half pinpoint accuracy, he still hit Paul Pope on a fourth-quarter 63-yard bomb that rolled the score to 34-8 and put the game on ice for Hondo.

Statistics were as follows (Hondo first):

First Downs, 21-12; Yards rushing, 228-212; Passes (yards) 9-16-0 for 224, 6-13-1 for 60; Total Offense 452-272; Punt (yards ave.) 2-13.5, 3-30.7; Fumbles lost 1-2; Total plays 59-57; Penalties (yards) 6-38, 6-68.

Friday night, the Owls journey beyond San Antonio to Schertz-Cibola for an 8 p.m. game with the Samuel Clemens Buffaloes. The Buffaloes are in the East Zone of Uvalde's District 14-AAA.

B-Team downs Uvalde JV 33-7

The Owl B-Team gave a glimpse Thursday of what was to come the next night as they smothered the Uvalde Coyote Jr. Varsity squad 33-7 in a game played at Hondo's Barry Field.

It was the second victory in a row for the B-Team, and the season opener for the Uvalde boys.

The sole Uvalde score came on (what else) a guard-around play in the fourth quarter where Bill Bishop galloped 60 yards to paydirt.

Top performers for the

Owls were quarterback David Knowles and tailback Lee Haile. Knowles hit David Christopher with a 7-yard scoring pass in the first quarter, and the Knowles-Christopher combination worked in the second quarter for 16 yards and another touchdown. A two-point conversion pass to Domingo Gallardo was good for

14-0.

Late in the second quarter, the Owls jumped on a Coyote fumble and drove to the one, aided by a 25-yard pass to Forrest Horecka. With the clock showing no time left, Haile drove over for the third Hondo touchdown.

Knowles passed for two more touchdowns in the

second half, both of which were caught by David Christopher.

Haile finished the night with over 100 yards rushing for the Owls, providing a sound ground base for the balanced B-Team attack.

Tonight, the B-Team will play Pearsall at Barry Field following the Freshman game.

District teams improve records in 2nd week

Teams of District 28-AA had a good night overall last Friday, winning five games while losing two to non-district opponents.

Still undefeated after two weeks of play are Hondo, Devine and Dilley. Evening their record at 1-1 were Pearsall and Carrizo Springs.

Meanwhile, Medina Valley and Cotulla continue to search for their first victory in 1973.

The Owls provided the biggest news by upsetting heavy favorite Uvalde 34-8 to hand that school its first loss of two seasons.

Devine followed up its shutout of New Braunfels Canyon by edging Pleasanton 7-6.

Dilley, a surprising team, preserved a perfect slate by downing Sabinal 35-18. It was Dilley's defense that picked off five Sabinal passes for three

touchdowns, in a wild game.

Pearsall evened its record after losing 19-0 to Uvalde, with a 47-6 romp over Laredo United.

Carrizo is also even, flattening Junction 28-6 after absorbing a 14-8 loss to George West.

Medina Valley was jumped on by a vengeful New Braunfels Canyon team, and lost 27-0 in a second tough non-district game.

Hapless Cotulla, edged 12-7 by Laredo United last week, was dropped by Tuloso-Midway 21-0.

In other action, the Owls' next opponent Samuel Clemens lost to neighboring Randolph 8-6 after shutting out Austin Del Valle 13-0.

SPORT FACTS

By Ralph

Hondo's victory over Uvalde Friday night placed the series between the two schools at 25-23 with the Owls on top. It also broke the undefeated skein of the Coyotes and prevented them from setting a new school record of consecutive wins for that city.

The longest rein as a world champion is 27 years by the tennis player Pierre Etchbaster who held the reign as undefeated world amateur tennis champion from May 1928 to 1955.

Collegiate record: Longest punt (in the air) 89 yards by Albert Braga (San Francisco) 1937.

1974 Chevrolet

A better-than-ever way.

When the wheel belongs to you, the road goes anywhere you say. And it's so much better with a '74 Chevrolet.

Caprice Classic.

Introducing an elegant motor car, just asking to be enjoyed. Out side: an imposing new grille, and on the Coupe, a distinctive new roof line. Inside: peace, quiet and convenience. With standard power steering to do most of the turning, standard power front disc brakes to do most of the stopping, and a standard Turbo Hydra-matic transmission to do the shifting. If you want the luxury and comfort of a car that leaves little else for you to do but enjoy the ride, you don't have to look beyond the '74 Caprice Classic. However, the freedom of the open road begins with the freedom of choice.

Vega GT.

This year's version of last year's Motor Trend Economy Car of the Year, (And Car and Driver Readers' Choice as Best Economy Sedan for the last three years.) With a reshaped nose, bigger bumpers, nicer carpeting, new stripes and new colors. Plus more good things to make it better. See what it's like to drive a winner.

Malibu Classic.

A luxury Chevelle, new this year. With full foam seats. A fold-down front armrest. Wood-grained vinyl accents. Elegant inner door panels. Extremely tasteful upholstery and cut pile nylon carpeting. That's just inside. The exterior is just as classic, in character and in detail, as the interior. Yet, it remains mid-size. And, it remains all Chevelle. With Chevelle handling and at a Chevelle price. Now that you've looked, come and see the new Malibu Classic—and all the 1974 Chevrolets. The ones shown here, plus Impala, Monte Carlo, Nova, Corvette, pickups, vans and all our new cars and trucks.

Camaro.

The way it looks is the way it goes. Quick, sleek and nimble. With a low, wide stance, responsive steering, and comfort that's rare in a car that handles so well. Plus classic new styling, and plushness from the cut pile carpeting up.

Natalia & Chacon Lake News

W. C. Richardson of Natalia was painfully injured Saturday afternoon when his trouser leg was caught by a tractor power take-off while working on the Hill farm on Farm Road 463 two miles west of Natalia. Highway Patrolmen aided and called for helicopter which took him to Baptist Memorial Hospital in San Antonio.
Mr. and Mrs. C. L. Swenson honored their son, Mark, on his ninth birthday Saturday afternoon at 5 o'clock with a party at their home. Games were played and refreshments of cake, ice cream and soft drinks were served to the 16 guests. Mrs. Jack Burns assisted Mrs. Swenson.
The Couples Sunday School Class of the Natalia Baptist Church enjoyed a social on Thursday night at the home of Mr. and Mrs. Iven W. Thompson. Those in attendance included the class teacher Rev. F. E. Turner, the C. V. Kerrs, the M. F. Musicks, the Roy E. Allison, the A. M. Mosleys and Keith, the J. W. Clawsons, and Rev. Franklin Pullin. The group visited and played 42 and Mexican dominoes. Refreshments of pineapple sherbet, cake and coffee were served.
Mr. and Mrs. Daniel Vera entertained their daughter Selica on her sixth birthday with a party at their home Sunday evening. Her older sister Ruby assisted at opening gifts. Games and pinata was enjoyed by the 30 small guests. Sandwiches, potato salad, cake, ice cream and punch were served.
Miss Iris Swenson had as her Friday night and Saturday guests, Cheryl Harrop and Lisa Krause. The threesome enjoyed a slumber party Friday night.
Mr. and Mrs. A. L. Simmons motored to Cleburne on Saturday morn-

ing and visited until Monday afternoon at the home of his sister and brother-in-law, the C. H. Pierces, to attend the reunion of Mr. Simmons' two brothers and sisters-in-law and his four sisters and brothers-in-law, who were there from Colorado Springs, Colo.; Hobbs, New Mexico; San Angelo and Kerrville.
Gregory McMillan and Jackie Jackson accompanied Mrs. Cloma Huffman and Donnie to their Rocky Ledge Ranch home near Tarpley Sunday afternoon for the night and Monday. Gregory's parents joined them there on Monday for the day and accompanied them home after a picnic dinner with the Huffman's and members of the First Christian Church, Devine.
Mr. and Mrs. O. N. O'Brien of Corpus Christi visited from Tuesday until Thursday with his brother and sister-in-law, the O. O. (Bill) O'Briens.
Airman Luciano Pena from Columbus Air Force Base, Mississippi, arrived Friday night by car for a ten day leave with his parents, Mr. and Mrs. Luciano Pena, Sr.
Mr. and Mrs. A. M. Mosley and Keith motored to Burnet Sunday morning and visited until Monday afternoon with their daughter and family, the Percy J. Spencers, Susan and Diane.
Mr. and Mrs. Truitt Williford and James, Houston, visited over the Labor Day weekend with her parents, Mr. and Mrs. Ray Chant.
Mrs. Frederick W. Welz is now at home convalescing from knee surgery she had at Baptist Memorial Hospital.
The Iven W. Thompsons had as their house guest from Saturday evening until Monday morning her brother, Norman Gandy from Lamesa.
